

ODYSSEY
eFileTN™

Electronically File Court Documents Anytime, Anywhere

Odyssey eFileTN™ provides attorneys with a user-friendly, secure website to automatically file documents from anywhere — 24-hours a day, seven days a week. This highly automated system provides attorneys the opportunity to transition from an inefficient, paper-based process to a streamlined, web-based e-filing system. Odyssey eFileTN reduces the cost and manpower needed to print, copy, store, deliver and file legal documents, thereby increasing efficiencies and productivity, and allowing attorneys more time to focus on other critical tasks.

Powerful Features

Streamline filing processes and eliminate paper with the Odyssey eFileTN solution that provides:

- Instant access to electronically filed and stamped copies of documents once approved by the court, saving time and costs
- 24-hour filing, seven days a week, eliminating the need to go to court, stand in line or process paperwork
- Access to electronically filed case documents and electronic filings via one centralized location in the system
- Electronically serve all interested parties in the case and receive online tracking information via email for fast and easy verification
- Easily generate an audit trail as well as logs and reports that represent your firm's filings, and sort reports based on primary parties, date range and document type
- Pay statutory court fees online and generate relevant financial reports based upon case type, date range and primary parties
- Receive optional status notifications by email for filings submitted, filings accepted, filings rejected, service undeliverable and/or filing submission failed
- Submit multiple documents in one envelope, eliminating the need for separate submissions for each pleading
- Send required preliminary and/or courtesy copies instantly
- Eliminate printing, copying, packaging and delivery of paper documents
- Cut out courier costs for document delivery
